

OUR DIVISIONS

PROFESSIONAL BUSINESS SERVICES

The expertise offered by Christie + Co, Christie Finance and Christie Insurance covers all aspects of valuing, buying, selling, developing, financing and insuring a wide variety of businesses. Its scope is complemented by the comprehensive appraisal and project management services available from Pinders.

STOCK & INVENTORY SYSTEMS & SERVICES

Orridge and Venners are the leading specialists in stock control and inventory management services. Orridge specialises in all fields of retail, Venners focuses on the hospitality sector and Vennersys provides software and systems to the leisure and hospitality sectors. Employing up-to-date technologies, the division operates in Europe and North America.

OUR MARKET SECTORS

LEISURE

Our leisure clients include hotels, pubs, restaurants, event caterers and caravan parks. We serve cinemas, nightclubs, sports centres, casinos, bowling alleys and other entertainment venues. Tourist destinations and facilities also feature. Railway companies, currency exchange bureaux, resorts and visitor attractions are among our clients.

RETAIL

Our retail clients span the sector and sell everything from food to petrol. They are on the high street, in out-of-town warehouses and in shopping malls. Our clients include supermarkets, specialist shops, garage forecourts and national chains.

CARE

At the institutional end, our care clients include schools and colleges, hospitals, GP surgeries, pharmacies and dental practices. Others are running nursing homes, residential care homes, domiciliary care businesses, children's day nurseries and care centres.
