18 June 2010

To: Shareholders in Hogg Robinson Group plc (the "Company")

Dear Shareholder

Business to be proposed at the Annual General Meeting

The Company's Annual General Meeting will take place on 26 July 2010 and a Notice of Annual General Meeting is enclosed. A shareholder registered on the register of members of the Company at 6.00pm on 24 July 2010 is entitled to vote on the resolutions contained in the Notice of Annual General Meeting. This letter is intended to help you understand the effect and purpose of these Resolutions.

Resolution 1 – to receive and adopt the Annual Report and Financial Statements

The Company's financial statements and the reports of its Directors and Auditors in respect of the year ended 31 March 2010 (the "Annual Report") are being sent to shareholders with the notice of Annual General Meeting. The Directors recommend that the Company adopt the Annual Report.

Resolution 2 – to re-elect David Radcliffe as a Director

The articles of association of the Company require that one third of the Directors shall retire from office by rotation at each Annual General Meeting and may stand for re-election.

Accordingly, David Radcliffe will retire by rotation at the Annual General Meeting and will stand for re-election. Brief biographical details for David Radcliffe are set out at page 18 of the Annual Report. His service contract is subject to termination by the Company giving not less than 12 months' written notice by either party, and is available for inspection at the registered office of the Company and will also be available for inspection at the Annual General Meeting.

David Radcliffe has extensive relevant experience of being a director of a listed company and of the Group itself. Having joined the Group in 1978, he was appointed to the Board in 1989 and became Chief Executive in 1997. Since that time he has re-positioned the Group as a rounded corporate services organisation. David is a Fellow of the Institute of Sales and Marketing Management and a Companion of the Institute of Management. The Board of Directors are of the opinion that this extensive experience allows him to contribute to the Company's development and that he should be re-elected as a director at this year's Annual General Meeting.

Shareholders' attention is drawn to the Corporate Governance report, commencing at page 19 of the Annual Report for details of the Company's formal evaluation process in relation to the performance of the Board, including David Radcliffe.

Resolution 3 – to re-elect John Coombe as a Director

The articles of association of the Company require that one third of the Directors shall retire from office by rotation at each Annual General Meeting and may stand for re-election.

Accordingly, John Coombe will retire by rotation at the Annual General Meeting and will stand for re-election. Brief biographical details for John Coombe are set out at page 18 of the Annual Report.

John Coombe has extensive relevant experience of being a director of a listed company and, in particular, as chairman of the Company since April 2006. The Board of Directors are of the opinion that John Coombe should be re-elected as a director at this year's Annual General Meeting.

Under the terms of his letter of appointment John Coombe was initially appointed as Chairman of the Company with effect from April 2006. This appointment was extended by a letter of agreement, dated 27 May 2009, for a further term of three years expiring at the conclusion of the 2012 Annual General Meeting. A copy of both these letters is available for inspection at the registered office of the Company and will also be available for inspection at the Annual General Meeting.

Shareholders' attention is drawn to the Corporate Governance report, commencing at page 19 of the Annual Report for details of the Company's formal evaluation process in relation to the performance of the Board, including John Coombe.

Resolution 4 – to re-appoint PricewaterhouseCoopers LLP as Auditors

The Directors recommend that PricewaterhouseCoopers LLP should be reappointed as the Company's Auditors and that the Directors be authorised to determine their remuneration.

Resolution 5 – authority to allot shares

The Companies Act 2006 (the "Act") prevents directors from allotting unissued shares without the authority of shareholders in general meeting. In certain circumstances this could be unduly restrictive. The Directors' existing authority to allot ordinary shares, which was granted at the 2009 Annual General Meeting of the Company, will expire at the end of this year's Annual General Meeting. It is intended that this authority should be renewed.

Subject to shareholder approval, the Directors will be authorised, in place of all existing authorities to allot equity securities (within the meaning of section 560(1) of the Act (which includes ordinary shares)).

The authority allows the Directors to allot shares up to an aggregate nominal amount of £1,025,876.28, representing one-third of the nominal value of the issued ordinary shares on 26 May 2010 (being the last practicable date prior to the publication of the Annual Report). The Company does not currently hold any ordinary shares in treasury.

The authority conferred will expire (unless previously revoked, varied or renewed) on 26 October 2011 or, if sooner, at the end of the next Annual General Meeting. However, the Company may make an offer or agreement prior to the expiry of this authority which would or might require equity securities to be allotted after the expiry of this authority – in this case, the Directors will be permitted to allot securities pursuant to such offer or agreement as if this authority had not expired.

The Directors have no present plans to allot unissued shares other than on the exercise of share options under the Company's employee share option schemes. However, the Directors believe it to be in the best interests of the Company that they should continue to have the authority set out in the resolution so that such arrangements can take place to finance appropriate business opportunities that may arise.

Resolution 6 – to disapply pre-emption rights

Unless they are given an appropriate power by shareholders, if the Directors wish to allot any of the unissued shares in the Company for cash, grant rights over shares or sell treasury shares for cash (other than pursuant to an employee share scheme) they must first offer them to existing shareholders in proportion to their existing holdings. This is known as pre-emption rights and these are contained in section 561(1) of the Act.

The existing disapplication of these statutory pre-emption rights, which was granted at the 2009 Annual General Meeting of the Company, will expire at the end of this year's Annual General Meeting and it is proposed that this authority be renewed. Accordingly, subject to shareholder approval, the Directors will be given power, in place of all existing powers, to allot shares without the application of these statutory pre-emption rights. The Directors will be able to exercise this power:

- (i) in relation to rights issues to existing shareholders in proportion to their existing holdings; and
- (ii) other than in relation to rights issues as above, up to an aggregate nominal amount of £153,881.44, representing 5 per cent, of the nominal value of the issued ordinary shares on 26 May 2010 (being the last practicable date prior to the publication of the Annual Report).

The Directors recommend that shareholders approve the grant of this power. The power conferred will expire (unless previously revoked, varied or renewed) on 26 October 2011 or, if sooner, at the end of the next Annual General Meeting of the Company. However, the Company may make an offer or agreement prior to the expiry of this power which would or might require equity securities to be allotted after the expiry of this power as if statutory pre-emption rights did not apply to such allotments in this case, the Directors will be permitted to allot equity securities pursuant to such offer or agreement as if this power had not expired.

In accordance with the guidelines issued by the Pre-Emption Group, the Directors confirm their intention that no more than 7.5 per cent. of the issued share capital will be issued for cash on a non pre-emptive basis during any rolling three-year period.

Although the Company does not currently hold any ordinary shares in treasury, the power sought and limits set will also apply to a sale by the Company of any shares it holds as treasury shares from time to time. The Act permits shares purchased by the Company out of distributable profits to be held as treasury shares, which may then be cancelled, sold for cash or used to meet the Company's obligations under its employee share-based incentive schemes. Any subsequent transfers of treasury shares by the Company to satisfy the requirements of employee share-based incentive schemes will be made within the 10 per cent. anti-dilution limit for such share issues.

Resolution 7 – Company's authority to purchase its own shares

Subject to shareholder approval, the Company will be authorised to make market purchases (within the meaning of section 693(4) of the Act) of up to 30,776,288 ordinary shares, being 10 per cent. of the ordinary shares in issue on 26 May 2010 (being the last practicable date prior to the publication of the Annual Report).

The maximum price that may be paid for each such ordinary share shall be the higher of:

- (i) 5 per cent. above the average of the middle market quotations for an ordinary share (as derived from the Stock Exchange Daily Official List) for the five business days immediately before the day on which the purchase is made (exclusive of expenses); and
- (ii) the higher of the price of the last independent trade and the highest current independent bid on the trading venue where the purchase is carried out (exclusive of expenses).

The minimum price that may be paid for each such ordinary share shall be 1p.

The authority conferred shall (unless previously revoked, varied or renewed) expire on 26 October 2011 or, if sooner, at the end of the next Annual General Meeting of the Company. However, if a contract for the purchase of ordinary shares is concluded before the expiry of this authority but the relevant purchase will or may be executed in whole or in part after the expiry of this authority, the Company is authorised to execute such purchase as if this authority had not expired.

Your Directors are committed to managing the Company's capital effectively. Although the Directors have no plans to make such purchases, buying back ordinary shares is one of the options they keep under review. Purchases would only be made after considering the effect on earnings per share, and the benefits for shareholders generally. The Directors recommend that shareholders approve the grant of this authority.

The Company may hold in treasury any of its own shares that it purchases in accordance with the Act and pursuant to this authority. This would give the Company the ability to re-issue treasury shares quickly and cost effectively and would provide the Company with greater flexibility in the management of its capital base.

As at 26 May 2010 (being the last practicable date prior to the publication of the Annual Report), there were an aggregate of 40,301,712 options outstanding under the Company's Share Option Plan, Performance Share Plan and Sharesave Scheme (the "Option Schemes"), 19,751,465 of which would fall to be satisfied by the use of new issue shares were they to vest in full, representing 6.42 per cent. of the Company's issued ordinary share capital. Shareholders attention is drawn to the Company's policy on satisfying such awards, which is set out on page 24 of the Annual Report. Most of these awards are structured as equity settled share appreciation rights, meaning that if, and to the extent that, such awards vest, the number of new shares actually issued would be significantly lower. Applying this policy, and using the Company's closing share price on 31 March 2010 (31.5p), the number of shares which would have fallen to be issued in order to satisfy such awards were they to vest in full, would have been 3,841,056, representing 1.25 per cent. of the Company's issued ordinary share capital. If the authority given by Resolution 7 were to be fully used, these percentages would then have represented 7.13 per cent. and 1.39 per cent. of the Company's issued ordinary share capital, respectively. The Company does not currently hold any ordinary shares in treasury.

Resolution 8 – Notice of General Meetings

One of the requirements of the Shareholder Rights Directive is that all general meetings must be held on 21 days' notice unless shareholders agree to a shorter notice period. The Company is currently able to call general meetings (other than annual general meetings) on 14 days' notice. Shareholders will be asked to approve Resolution 8 which allows the Company to continue to be able call general meetings (other than annual general meetings) on 14 days' notice. Notwithstanding the passing of this Resolution, the Directors confirm that their intention would be to only use such power where it is commercially important for the business proposed at such a meeting to be approved on such shorter timescale and the reasons for such shorter notice period is commented upon in the notice convening any such meeting.

Resolution 9 – to approve the Directors' Remuneration Report

Under the Act, the Company is required to put a resolution to shareholders at each Annual General Meeting to approve the Directors' Remuneration Report, which forms part of the Annual Report. The vote of the shareholders is advisory in nature.

Shareholders will be asked to approve the Directors' Remuneration Report, which can be found on pages 22 to 27 of the Annual Report. The Directors recommend that shareholders approve the Directors' Remuneration Report.

Action to be taken in respect of Annual General Meeting

Shareholders will find a Form of Proxy enclosed for use in relation to the Annual General Meeting.

Whether or not you intend to be present at the Meeting, you are requested to complete and return the Form of Proxy so as to reach the Company's registrars, Equiniti Limited, at Aspect House, Spencer Road, Lancing, West Sussex BN99 6ZL, as soon as possible and in any event not later than 48 hours before the time appointing for the Meeting.

Completion and return of a Form of Proxy will not, however, prevent you from attending at the Meeting and voting in person if you should wish to do so.

Recommendation

The Directors consider that all the resolutions to be put to the meeting are in the best interests of the Company and its shareholders as a whole. Your Board will be voting in favour of all the resolutions and unanimously recommends that you do so as well.

Yours sincerely,

Keith Burgess
Company Secretary
